## PROGRAM CANCELLATION POLICY

In the event of adverse weather conditions, the scheduled program will only be cancelled if the teaching team cannot reach the meeting location the day prior to the first day of training at each location. If you are in doubt as to whether the program is being held, please call 573-882-8019, for a recorded message of cancellation, if warranted, which will be updated by 6:00 pm the evening prior to training. If hazardous weather exists in your area, consider contacting the MU Conference Office to transfer your registration to another location. If the University of Missouri cancels the program, your registration will be transferred to another location or a full refund will be issued.

## REGISTRATION INFORMATION

For questions regarding registration, please contact Kara Haden with the MU Conference Office at toll-free: (866) 682-6663 or (573) 882-9554.

## LICENSING INFORMATION

For questions regarding licensing of applicators, visit MDA's website at <http://agriculture.mo.gov> or contact the MO Department of Agriculture at (573) 751-5504 or 751-5509. To schedule a pesticide exam, contact Pearson VUE at <http://www.pearsonvue.com/mo/agriculture/> or call 866-221-6481.

## RECERTIFICATION/RETRAINING

Applicators and Technicians certified and licensed in more than one category may recertify or retrain in those categories by attending recertification training for the category in which they do the most work. You may receive training in only one category each day (with the exception of 7a & 7b which are taught as one category). If you wish to attend training in additional categories, you must attend additional dates. Please copy this registration form and complete a separate form for each date. A fee is required for each date. **All Applicators and Technicians should bring a copy of their license to the meeting site.**

If you are a pesticide applicator holding MULTIPLE licenses (e.g. Commercial/Technician) with each license reflecting certification and licensure in different categories, you WILL be required to attend an approved recertification program for each license and related categories prior to the Recertified Until Expiration Date or Retrained Until Expiration Date printed on the license.

(e.g. - Applicator holds a Commercial Applicator license in Category 3 - Ornamental and Turf Pest Control, Recertified Until May 31, 2019 and a Pesticide Technician license in Category 7A - General Structural Pest Control, Retrained Until April 30, 2019, you must attend an approved recertification program for both categories for recertification or retraining credit).

If you have any disability that requires special materials or services, contact Kara Haden at (573) 882-9554 or Relay Missouri: 1-800-735-2966.

This program is sponsored by University of Missouri, College of Agriculture, Food and Natural Resources, MU Conference Office, and the Missouri Department of Agriculture.

An equal opportunity/ADA institution.
